Friday, August 28th

School Spirit: Favorite T-Shirt

Friday, September 4th

End of Quarter 1 - Track Out

- Lunch 11:45 - 12:15
- If you are interested in volunteering you MUST be registered. You can register at any WCPSS school.
- All birthday treats need to be store bought. We have 21 students in our class.
- Change of transportation must be made in writing or by a phone call to the school. Otherwise, your child will be sent home on their regular mode of transportation.

Reminders & updates

- PLEASE RETURN ALL OVERDUE PAPERWORK AS SOON AS POSSIBLE! A letter to parents was sent home last week highlighting the forms that each family still needs to return.
- Track 1 **End of Grade testing window** for 3rd—5th grades is **May 20-June 3**. We will share the actual test dates when we are much closer. It is in the parents AND students' best interest to keep all 10-15 days as free from conflicts as possible.
- **IMPORTANT:** Parents wishing to pick up their children early from school **MUST** do so by **3:30**. Otherwise they will need to go through carpool.
- WCPSS Parent/Student handbooks are now available online at: <http://www.wcpss.net/student-parent-handbook>.
- Please sign up for first semester parent/teacher conferences. This is a required conference. If you are unable to make a date/time available please contact me so that we can schedule an alternate date/time to meet. You can sign up through our classroom website or by using the following link www.SignUpGenius.com/go/20F0445A5A72EA64-parentteacher
- Child Nutrition Services has sent out a parent letter that I have attached. It is also available on our classroom website under the Newsletter tab.
- Mystery Reader will start next quarter but information and sign ups are available now on the classroom website.

curr|cu|um

Math: We will continue to work with various story problems throughout the first part of the week followed by a mini unit on even and odd numbers. We will try to have a unit test on Friday depending on how the week's lessons go.

Language Arts: We will continue to work on asking/answering questions about a story (fiction and non-fiction). In spelling we will focus on ge and dge endings.

Science: We have started our unit on Matter (Solids and Liquids). Students will have the opportunity to experiment in many ways with these different types of matter. Thank you to everyone who donated materials for this.
