

Dear Elementary School Parents,

Child Nutrition Services (CNS) is pleased to have the opportunity to be of service to you and your child(ren)! The CNS team of food and nutrition professionals is dedicated to student health and academic success. We share a commitment to offer attractive, appetizing, and nutritious breakfast and lunch options daily and our “self-serve” meal selection system allows students to learn about making wise choices, improve motor skills, and build self-esteem. Our breakfast and lunch menus are located on the Wake County Public School System web site at [www.wcpss.net](http://www.wcpss.net).

**Every student will use their WCPSS student ID as their lunch number as long as they attend Wake County Schools. Please help your child(ren) learn their lunch number.**

For your convenience, you may pre-pay for meals by the week, month, or year! You may purchase meals daily or pay in advance with cash or a check payable to the school cafeteria. In addition, we offer an automated prepayment plan that allows you to authorize a bank draft or credit card payment to the cafeteria automatically. For more information go to our website at <http://www.wcpss.net/child-nutrition/> or <https://www.myschoolbucks.com>.

Prepayment will ensure that all money is available for a complete meal which includes an entrée, bread/grain serving, up to two fruits and vegetables, and milk. Money may also be applied to an a la carte account for purchases other than the complete meal such as additional menu items, Smart Snacks, or extra beverages. Please indicate on your check if you want your prepayment for “meals only”.

The 2015-16 Meal prices are:

<b>Elementary Breakfast</b>	<b>Daily</b>	<b>5 Days</b>	<b>20 Days</b>
Full Price	\$1.00	\$5.00	\$20.00
Reduced-Price	\$0.00	\$0.00	\$0.00
 <b>Elementary Lunch</b>	 <b>Daily</b>	 <b>5 Days</b>	 <b>20 Days</b>
Full Price	\$2.00	\$10.00	\$40.00
Reduced-Price	\$0.40	\$2.00	\$8.00

We **do not refund money** from student accounts but will transfer money if your student moves to another Wake County Public School. All families may apply for free or reduced-price meals. We will mail applications to all pre-registered students and they are also available at every school.

We look forward to helping you meet the daily nutritional needs of your student. Our objective is to offer high quality nutritious foods and service at an affordable price. Please come by for breakfast and/or lunch at school this year to see what we have to offer!

Sincerely,

Child Nutrition Services
